

Airways Pension Scheme – Member Nominated Trustee (MNT) Changes

The Trustees recently agreed some changes to the composition of MNTs in light of changes to the membership profile of APS. The APS pensioner population continues to increase as the number of APS active members decreases over time. There are 12 APS Trustees; 6 appointed by British Airways and 6 elected by members and pensioners known as MNTs. Prior to the change there are 4 MNTs elected by pensioners of the scheme and 2 MNTs elected by active members. The APS Trustee Board will continue to comprise 6 MNTs with a corresponding number of employer appointed Trustees but with effect from 1 August 2010 5 MNTs will now be elected from the pensioner membership and only 1 from the active membership.

Mr Allan Bromwich, who was an APS Trustee for over 25 years, has retired from his position as an MNT elected from the active membership. The resulting vacancy will now be filled by an MNT elected from the pensioner membership in order to reflect the changes to the makeup of the MNT Board and to more closely represent the membership profile.
