

NAPS Members' Representative Trustee Director Appointments

Administration and the Rest of Management constituency:

Mr Dave Southcott will be re-appointed as a Member Nominated Director (MND) from the Administration and the Rest of Management constituency of NAPS. No other nominations were received for the position and the appointment therefore takes effect without the need for a ballot.

Engineering, TMGs and Ground Services constituency:

Mr Ian Rycraft reaches the end of his term as an MND on 31 March 2017. Mr Rycraft is no longer employed in this constituency, and therefore remains in position until his term ceases but is not eligible to re-stand in this constituency.

After completion of the nomination process, one valid nomination was received for the position from Mr Christopher Daw. His appointment as an MND from the Engineering, TMGs and Ground Services constituency therefore takes effect without the need for a ballot.

Both Terms of Office commence on 1 April 2017 for a period of between five and five and a half years.
