

The 2019 Pension Increase is 2.4%

The Government issued regulations on 14 March 2019 confirming that the annual pension increase for 2019 is 2.4%.

Most NAPS pensions that have been in payment for at least a year will therefore increase by 2.4% from 8 April 2019.

Notes:

- The increase for 2019 is based on the increase in the Consumer Prices Index in the twelve months to September 2018.
- The increase applies to elements of pension that are eligible for [Scheme increases](#).
- Some elements of pension may be entitled to different levels of increases.
- Different rules apply in respect of any [Guaranteed Minimum Pension \(GMP\)](#) included in NAPS pensions.
